

Delivering Performance

Africa

For over a decade, Cedrus Investments has been creating value and delivering performance to emerging countries by offering them a full suite of advisory services, including:

- Access to global capital
- Extensive domain expertise
- Strategic project financing
- Direct investments

Our firm's long-term commitment to Africa is focused on helping local governments, companies, investors and communities to 'realize the value' of growth in the region by:

- Promoting Africa
- Building wealth for locals
- Enhancing efficiency
- Introducing innovation
- Supporting African countries to fulfill their financing needs
