Enhancing its Presence in the Greater China Region and Capitalizing on the Surging Life Sciences and High-tech Innovations in the area

HONG KONG, March 23, 2020 /PRNewswire/ -- [Cedrus Investments \("Cedrus"\)](#), a global boutique investment firm, is pleased to announce that it has officially launched its new **Shenzhen** office, which is ready to serve its global clientele with the company's extensive network and profound expertise especially in the sectors of [life sciences](#) and [innovative technologies](#). Cedrus' Shenzhen office is committed to introducing cutting-edge technologies to China while helping Chinese companies achieving their business objectives globally. Making investments in selected emerging Chinese companies will be one of the key focuses of Cedrus' Shenzhen office, in addition to financing and developing projects as well as partnering with those companies.

With the successful launch of the Shenzhen office, Cedrus will be able to benefit not only from the geographical advantages of the city, which serves as an international transportation hub with easy access to the Pearl River Delta and Hong Kong but also the city's recognition as an emerging financial and innovation center where life sciences and high-tech innovations are among Shenzhen's key pillars of future economic growth. This new office facilitates Cedrus in **bridging both inbound and outbound investment opportunities** to its diverse client pool to meet their
