Cedrus maintains two indices in order to meet the needs of diverse investors. These indices serve as performance benchmarks for nanotechnology investing. Cedrus' diversified index (CNID) includes

equally-weighted companies spanning all five nano-markets, including electronics, manufacturing, energy, life sciences and clean technology and is inclusive of both diversified companies that have nanotechnology as only one of their many growth drivers, and pure-play companies that have nanotechnology as their primary driver of growth. Cedrus' pure index (CNIP) is a concentrated index, comprised of equally-weighted pure-play companies spanning also all five nano-markets and is best-suited for small-cap investors.
