Mr. Jarkas' panel discussion will focus on the "state of Hong Kong as a mine finance destination." He will be sharing Cedrus' decades of experience and insights in investing in the **mining and natural resources** sectors.

Mr. Jarkas said, "I am honored to join the panel discussion. Today, the mining sector around the globe is experiencing an

irreversible and sustained tide of revolution driven by the advancements in modern technology and the transformation of energy sourcing for the purpose of building an efficient, greener energy system."

With the economic recovery worldwide picking up steam and developing countries' growth showing early signs of reacceleration, the potential of the mining industry overall is promising. In order to grasp the opportunities that lie ahead, we will need not only great minds, but also consistent funding support from visionary investors. Cedrus, with decades of experience [operating globally, including in Hong Kong](#), is willing to further explore the city's unique geographical and free capital flows advantages as well as being a major global financial hub in fueling the sector's revolutionary progress, and help investors better invest in this sector potentially with higher degree of success," Mr. Jarkas added.
